In the Famous Kay Copper Belt

First offering of Capital Stock of

KILE-TRUMAN COPPER CO. At TEN CENTS a Share

The KILE-TRUMAN COPPER COMPANY is an Arizona Corporation with 1,500,000 shares of capital stock, par value 10 cents. The property owned by the company consists of 7 claims which have been deeded to the company free and clear

The property is located in what is now known as the famous KAY COPPER belt, lying in close proximity to the noted KAY COPPER mine which is fast being developed into a wonder copper producer, having ore already blocked out to the extent of \$6,000,000.

The surface indications on the KILE-TRUMAN property are almost identical to that of the KAY. The formation is quite similar and mining men who have seen the property are strongly of the opinion that with the proper development work, the KILE-TRUMAN will prove another KAY,

The Arizona Corporation Commission has issued a permit to the company for the sale of 200,000 shares of treasury stock. A limited amount is now offered to the public at 10 cents a share. There is no question but what a great majority of the KAY COPPER COMPANY stockholders will, become stockholders in the KILE-TRUMAN COMPANY. One of the largest stockholders in the KAY company, S. J. Tribolet, is a director in the KILE-TRUMAN COMPANY.

Give this your attention and take advantage of the opportunity that confronts you-To come in at the very start and at a low figure. Mining has made a great many independent for lifebut they bought stock at the start and at a low price.

Remember the first offering will not last long and the price
